

Integrated Interactive System

Da-Lite Integrated Interactive System is an all-in-one mounting solution that brings the best in screen technology to create a system for the Epson BrightLink Pro. Optimized for finger touch technology, this sleek, innovative system is designed to bring interactivity to a new level. Engage the future of business with Da-Lite.

Five steps to a new boardroom

1. Secure the wall bracket and mounting boom
2. Hang the IDEA screen
3. Install the projector and finger touch unit
4. Secure the control panel housing
5. Attach marker tray and valence

EQUIPMENT

- Aesthetic Chief mount designed specifically for Epson BrightLink projectors
- Da-Lite® Interactive Dry Erase Application (IDEA™) Screen technology
- Dedicated housing for the Epson control panel
- Decorative valence to hide the projector
- Adjustable marker tray
- Aesthetic housing for finger touch unit

Integrated Interactive System

Specifications

AN2WA87	87"	50°	80¼" x 29" x 66" (204 x 74 x 168 cm)	46" x 73½" (117 x 187 cm)	120 lbs (54.4 kg)	83.89 lbs (38.1 kg)
AN2WA100	100"	50°	91½" x 29" x 66" (232 x 74 x 168 cm)	53" x 84¾" (135 x 215 cm)	135 lbs (61.2 kg)	92.89 lbs (42.1 kg)

* Shipping weight does not include projector.

** Net weight includes screen, mount and projector.

COMPATIBILITY

Designed for use with Epson BrightLink Pro 1430Wi, 1420Wi and 1410Wi, plus BrightLink 595Wi and 585Wi.

Features

- Optimized for finger touch technology through innovative Da-Lite screen design.
- Custom mount makes registration and service fast and easy eliminating pre-installation measurements and set up time.
- IDEA Screen serves as a projection quality surface that can be written on with dry-erase markers.
- Screen gain of 2.5 with 50 degree viewing angle.
- IDEA Screen certified by the GREENGUARD® Environmental Institute as a low emitting product.
- System anchors at multiple points for exceptional stability and "floats" off the wall to provide room for routing cables.
- Innovative design requires only locating a single bracket for hanging – all other equipment mounts relative to this point.
- Simple specification with one SKU.
- Rigid interactive surface with magnetic capabilities.
- Ultra sleek design to complement any space.
